

AMENDMENTS TO CLAIMS

Please amend claim 1 as indicated below. Please cancel claim 2. This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (currently amended) A surveillance system having a plurality of video cameras disposed on a common network and adapted for communicating with a computer system via a common network, the system comprising:
 - a. a plurality of cameras;
 - b. a digitizer of each camera;
 - c. a network interface [for] at each camera;
 - d. each camera communicating with a computer system through the network interface[.]; and
 - e. a compressor associated with each camera in advance of the network interface at each camera.
2. (cancelled) The system of claim 1, further comprising a compressor associated with each camera in advance of the network interface.
3. (original) The system of claim 1, wherein the computer system is an archival server.
4. (original) The system of claim 1, wherein the computer system is a personal computer connected to the network.
